## EXTRA RELEASE AND INFORMATION SHEET

A. I hereby consent to having my image photographed and/or videotaped for the purpose of casting for *The Highwayman* and other projects.

B. I understand that being an extra in *The Highwayman* is a voluntary unpaid position for which I will receive training, experience and exposure. No particular training or experience is required to be an extra in the movie. I understand that casting as an extra for any particular scene will depend upon my look, skill and availability at the time the scene is shot and that no role or scene is guaranteed. I understand that extras will NOT be given screen credit unless they are given a speaking line in the movie and that there are very few such lines available. I understand that extras will be given credit on [www.thehighwaymanmovie.com](http://www.thehighwaymanmovie.com).

C. I understand that if I am cast as an extra I will be responsible for providing my own costume and my own transportation (unless requested to carpool) to the shooting location. I agree to inform the 1<sup>st</sup> AD at least 24 hours before the start of the shooting day of any schedule conflicts on any day I am called which might require me to leave the set before shooting is complete. I understand that such conflicts could result in a change in casting.

D. If cast and used as an extra in *The Highwayman*, I assign to **The Highwayman Motion Picture, LLC**, all rights necessary for the development, production and exploitation of *The Highwayman*, whether denominated copyrights, performance rights, or publicity rights, including the right to reasonable use of my name and likeness in conjunction with the development, production and exploitation of *The Highwayman*, and waive any right to sue **The Highwayman Motion Picture, LLC**, its successors, assigns, or members over such use.
