## *The Highwayman* Movie Casting for Extras

On May 31<sup>st</sup>, Inferno Film Production will be casting for extras for the 18<sup>th</sup> century adventure movie based on Alfred Noyes famous poem, *The Highwayman*. Principal photography on the movie will beginning in August. Inferno needs about a hundred extras to fill tavern and courtroom scenes with peasants. Extras will be required to provide their own costumes. While most of the extras will merely be background characters in crowd scenes, a few may be featured or given lines to say. Acting or re-enacting experience is plus. Experience with older crafts such as hand woodworking, blacksmithing, horseshoeing, is also a plus. Additional details can be found at: <http://www.thehighwaymanmovie.com/extras.html>

Boulder native **Macleish Day** stars as Will Stiles who becomes The Highwayman in the movie. Will Stiles is a young farmer in 18<sup>th</sup> century England. He becomes a highwayman seeking revenge on those who wronged his family and when the conspirators fight back and hire a troop of soldiers, Will and his Bess are both killed. But The Highwayman continues his vengeance after death until he can be reunited with Bess.

**Macleish Day** completed a Bachelor of Arts in Musical Theater at **University of Northern Colorado** in 2008. His performance as J. Pierrepont Finch in *How to Succeed at Business Without Really Trying* last summer with the **Colorado Light Opera** was highly praised by the Daily Camera. Macleish will be rejoining CLO this summer playing Sir Evelyn Oakleigh at the Colorado Light Opera's production of *Anything Goes* and Slim in *Oklahoma* He has had roles in a number of with the CU Opera Company, The Little Theater of the Rockies, the Greeley Community Theater, and the Tampa Bay Performing Arts Center. He was featured as a dancer in An Air Force Christmas for PBS. Marianne's screen credits include a leading role in the film *Rear View Mirror* and a supporting role in *11:59* directed by Jamin Winans.

**Inferno Film Productions** aka **Inferno Motion Pictures**, located south of the metro area, is known to many people in the Colorado for the production of *Dragon and the Hawk* nine years ago. Since then Inferno has been primarily focused on sales of motion picture distribution rights, exhibiting at the **American Film Market** in Santa Monica, California each year and acting as a sales agent for other producers.
